School Report

Superintendent's Report

To the School Board of Brookfield:

Gentlemen,- It gives me pleasure to submit to you and through you to the citizens of the town, my eleventh annual report as superintendent of the schools of Brookfield.

Last spring several changes were made in the supervisory unions in this vicinity. One union was eliminated, the towns of which it had been composed being added to other unions. Supervisory Unions No. 41 was enlarged by the addition of Farmington. As now organized this union contains nineteen more teachers than formerly.

The usual statistics relating to the schools are contained in the following table:

Statistics for the Year Ending June 30, 1929

School	Teacher	Total Number Enrolled	Average Membership	Average Attendance	Per Cent of Attendance	Number of Absences
Churchill	Eva C. Willey	23	17.00	16.43	96.65	0
Stoneham	Leda B. Eldridge	10	6.88	6.47	94.04	11
Totals and Averages		33	23.88	22.90	95.89	11

The per cent of attendance, as for several years past, is higher than the average for the entire state. The state average is 94.58.

The roll of honor, which follows, contains the names of those pupils who have been neither absent nor tardy for one or more quarters during the year.

The total enrollment in the schools for the present year is 26. Of this number two have since removed from town and three are from Wakefield. Two Brookfield pupils are enrolled at Wakefield Corner and one at Wolfeboro.

As for serveral years past, Mr. Wallace C. Wright is supplying the pupils of the Churchill School with milk for lunches. Again I extend my thanks to Mr. Wright for this generous assistance.

Mrs. Agnes T. Weeks has been in charge of the work of medical inspection in the schools. Her report will follow.

Respectfully submitted,

FRED W. DUDLEY,

Superintendent of Schools.

CORRECTIVE WORK

Number of pupils treated for defective vision	1
" " " " " " teeth	9
" " " " " " throats	1
" " " " " " hearing	1
" " " " " " appendicitis	1

Pupils were weighed several times during the year at Churchill School and twice at Stoneham School. Five were ten per cent under weight.

Milk is supplied by Mr. Wallace Wright for the pupils of the Churchill School, which is served with the lunch brought from home. In winter Mrs. Willey, the teacher, uses the milk for cocoa or some hot food for the children. With the co-operation of parents we hope to correct the under-weight condition of the pupils.

Respectfully submitted,
